Your campus Wi-Fi (NUWNET) /eduroam ID is changing

NUWNET Dedicated Account Setup Guide

Deadline **March 21, 2027 (Sun)**

NUWNET portal
nwportal.icts.nagoya-u.ac.jp

Nagoya University | Information Systems Operations Division, Networking Team

What changes: your Wi-Fi ID and password

Until March 21, 2027

nuwnet1x (5GHz)

- Nagoya University ID
- Password of NU ID

From March 22, 2027

nuwnet1x (5GHz)

- NUWNET dedicated ID
- NUWNET password

Guest IDs change too
Guest IDs used from March 22 must be issued from the new NUWNET portal

Just three things to do

1

Now – March 21

Register on the portal

Get your dedicated ID and set a password (about 5 min)

2

From March 22

Update your devices

Enter the new ID and password in your Wi-Fi settings

3

Every February

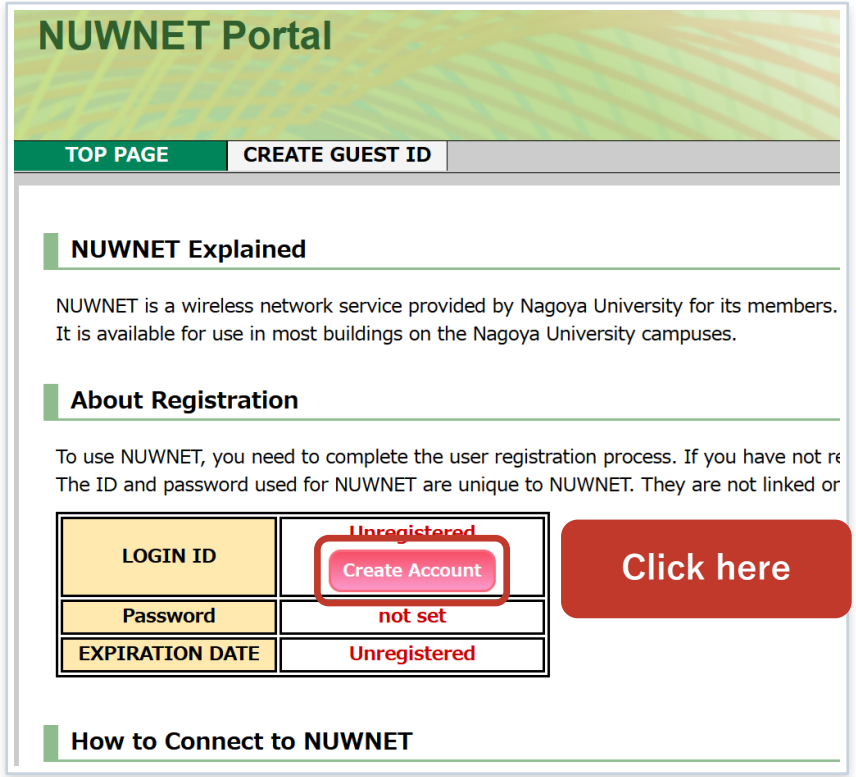

Renew for next year

Accounts expire at fiscal year-end; click “Update”

Step 1 Open the portal and create an account

1. Open the NUWNET portal (QR code or URL)
2. Sign in with your THERS account
3. Click “Create Account”

NUWNET portal
https://nwportal.icts.nagoya-u.ac.jp

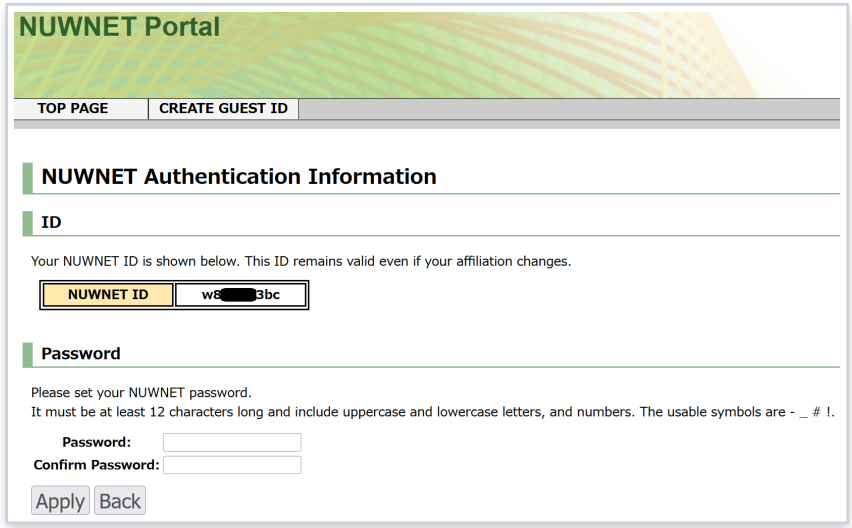

Step 2 Set your password

Your NUWNET ID appears on screen. Enter a password that meets these rules twice, then click “Apply”.

- **At least 12 characters**
- **An uppercase letter (A–Z)**
- **A lowercase letter (a–z)**
- **A number (0–9)**
- Allowed symbols: - _ # ! only

Weak passwords are rejected and you will be asked to try again. This is separate from your NU ID password.

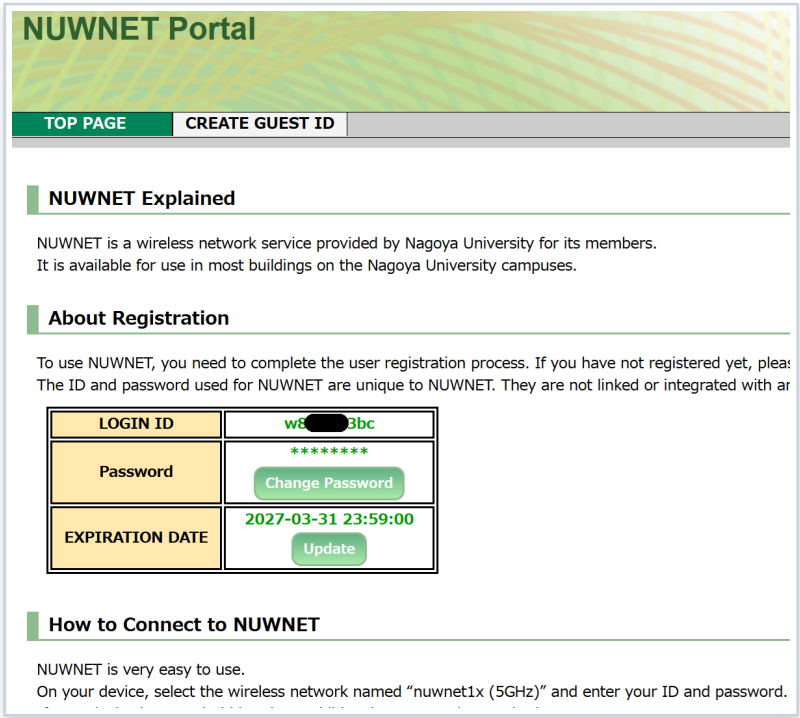

Step 3 Done! A few things to remember

Using eduroam
Add “@nagoya-u.ac.jp” to the end of your NUWNET ID

Forgot your password?
Reset it with “Change Password” on the portal

Annual renewal
Accounts expire at fiscal year-end. Renew with “Update” from February
